

## **Put Reproductive Freedom on the Ballot in 2024!**

The number of petitions needed by the 21st Congressional District is 35,671.

Please participate in one or more of the projects below to help make this happen. To allow time for processing and counting, all petitions should be signed and submitted by the end of December 2023.

### **\*Project 1 - Neighborhood Doorknobs**

If you would like to hang petitions on the doorknobs of your Democratic neighbors, please send an email to [LoriFritsch@hotmail.com](mailto:LoriFritsch@hotmail.com).

### **\*Project 2 - Expand Exponentially**

We will provide you with as many packets of petitions with directions as you like. Give them to your friends and ask them to give to their friends, and so on, and so on.

You can pick up and drop off petitions at the Martin County Hub, every Thursday from 2PM - 6PM at **727 SW 33rd St, Palm City.**

### **\*Project 3 - Clipboard Campaign**

Join others who will be gathering signatures at public events, in front of stores, at libraries, etc. The Women's Club is working with LWV to identify places where this effort can take place. Email [bethrosenberg3674@icloud.com](mailto:bethrosenberg3674@icloud.com) to get involved in this effort.
